Traffic Officers Respond to Emergency

Three LADOT Traffic Officers supported emergency response efforts today during the Department of Water and Power's water main break at Melrose Ave and Gramercy Pl as well as at Melrose Ave and Wilton Pl. Our officers routinely respond to emergencies on city streets seven days a week, 24 hours a day.

Take me out to the ball game! LADOT's DOTgers win it big.

On November 9th, 2016, LADOT's appropriately named DOTgers became this season's softball league champions and brought pride to LADOT. This is the first championship title for the DOTgers, since being established 7 years ago. The Softball League is run by the Los Angeles City Employees Club from July through November, and has participating teams from the Bureau of Sanitation, DWP, LAWA, Recreation & Parks, and LADOT, among others. Though only winning one game in their first season, the DOTgers' upward path to victory started with an unprecedented playoff game win and later an upset championship game against the Sewer Rats - a team of employees from the Hyperion Treatment Plant. Despite being described as heavy underdogs, the DOTgers finished the game with a score of 7-4, three

of which runs were scored in the last inning. The DOTgers celebrated with a victory parade around the 9th floor of LADOT's headquarters. Congratulations DOTgers!

▲ Championship players included: Carlos Rodriguez; Carlos Rios; Tomas Carranza; Robert Sanchez Jr.; Karina Macias; Valerie Watson; Michelle Mowery; Hui Huang; Rubina Ghazarian; Eddie Giron; Manny Anaya; Nat Gale; Austin Kano; Claudia Luna; Bertha Juarez; Judy Ramirez

LADOT Leaders Recognized

LADOT executives and staff shined bright at last Wednesday's Annual Scholarship & Awards Dinner, hosted by Women in Transportation (WTS). The event, held at the Millennium Biltmore Hotel, honors transportation leaders and celebrates the next generation of transportation professionals. Metro Bike Share received the WTS Innovative Transportation Solutions Award for the partnership between the City of Los Angeles and Metro. LADOT's Rubina Ghazarian was recognized for her work in kicking off Bike Share. Additionally, our own Seleta Reynolds was honored as WTS's Woman of the Year for her leadership as General Manager. WTS is an "international organization dedicated to building the future of

transportation through the global advancement of women.” [Learn more here.](#)
